

WALK IN WARDROBE DEEP DIVE – NEEDS ASSESSMENT

Please note that we may not be able to accommodate all your wishes due to size constraints, so we may present back a different solution.

1. How many lineal meters do you ideally need for hanging?

To do this, measure how many lineal metres of each type of hanging.

Long hanging = dresses, coats and trousers (if hung long, unfolded over a hanger)

Short hanging = shirts, blouses, tops, skirts and trousers (if folded over a hanger)

| HIS | |
|------------------------|---|
| Long hanging | |
| Short hanging | |
